**DELIVERY AND TRANSPORTATION:**

Truckload quantities are defined as a shipment with a minimum of 42,000 lbs. or \$50,000, whichever comes first. Freight is prepaid on truckload shipments, fuel surcharge still applies and customer is responsible for actual fuel costs.

Prepaid freight applies to standard delivery only. The customer will be responsible for added shipping costs associated with any order request for EXPEDITED, HOT RUSH, TEAM DRIVERS, or any similar requests.

Carlisle WIP reserves the right to determine the carrier on all prepaid shipments. Carlisle WIP also reserves the right to determine the shipping point on all shipments, and will favor production plants for shipments of any quantities.
