Ventilation will ship LTL free-of-charge when ordering between 1-4 pallets within 1,600 miles of the nearest Atlas facility. StormMaster® Slate can be full truckload or combined on any full accessory trucks out of our Ardmore, OK facility. Any non-stocking Atlas distributors can reach out to Atlas representative, Brian Pelletier, (630) 774-0701 or bpelletier@atlasroofing.com, for a freight quote on LTL quantities of StormMaster® Slate. Quantities are limited on StormMaster® Slate and orders will be filled in first come first service basis, and will ship at the plants convenience.
